

Gold Creek Sports Field

Projected Project completion date:
October 2010

Overall value of project: \$1.9m

Location: Gold Creek, ACT

Client: ACT Procurement Solutions

Contract type: Lump Sum

Scope:

The project consisted of the construction of two new synthetic grass sports ovals and associated civil works, the installation of boundary fence and gates and concrete edging and dryland grassing of the surrounding area within the property boundary. At the time this was the largest synthetic playing surface laid in the ACT totalling 1800m².
